

Although we take it for granted, sanitation is a physical measure that has probably done more to increase human life span than any kind of drug or surgery.

– Deepak Chopra

Dear parents and students,

The Department of Drinking Water and Sanitation, Ministry of Jal Shakti, Govt of India is observing Swachhata Pakhwada From 1st to 15th September,2023.

To be a part of it we must ensure that we follow the following points:

- * Proper personal hygiene and hand washing.
- * Use of hand sanitiser and mask whenever and wherever applicable.
- * Say NO to single use plastic.
- * Use ecofriendly products in daily life
- * Apply 3Rs (Reduce, Reuse and Recycle) for proper waste management.
